

Pregnancy and maternity Insured benefits

Helsana
Committed to life.

We are committed to your well-being as an expectant mother.

The costs of the benefits listed are covered from the 13th week of pregnancy until eight weeks after the birth. You are exempt from a deductible or excess during this time. Before and after this time, pregnancy check-ups with a doctor or midwife, including analyses and ultrasound examinations, are also exempt from co-payment if they are statutory benefits.

There for you with a comprehensive range of benefits
