

Recognised therapeutic methods in complementary medicine

Edition January 2024

SANA/COMPLETA supplementary insurance, as at 1 January 2021

COMPLETA EXTRA supplementary insurance, as at 1 January 2024*

COMPLETA PLUS supplementary insurance, as at 1 January 2024

Payment of costs for medically necessary, outpatient and complementary medical treatment recognised by us:

Benefits under SANA or COMPLETA supplementary insurance are paid at a rate of 75% for methods of treatment performed by our recognised EMR-registered therapists or doctors. In addition to the benefits provided under COMPLETA, we also provide coverage as follows: under COMPLETA EXTRA we cover 100% of the remaining amount or under COMPLETA PLUS we cover 15% of the invoice amount, up to a maximum of CHF 500 per calendar year.

A list of recognised specialists can be found on our homepage: helsana.ch/complementary-therapists

Important: This list is based on the Additional Insurance Conditions (AIC) referred to above. It does not constitute a definitive cost approval. We will gladly answer and clarify any questions you may have.

Trager approach
Tui-Na/An-Mo

¹ For these (individual) methods, we pay 75% under COMPLETA EXTRA for therapists that are recognised by us and EMR and/or ASCA-registered, or a maximum of CHF 750 per calendar year. Under COMPLETA PLUS, we cover 75% of costs, up to a maximum of CHF 500 per calendar year.

² For these methods, we pay 75% of the costs under SANA/COMPLETA for treatment by our recognised EMR-registered therapists. In addition to the benefits provided under COMPLETA, we also provide coverage as follows: under COMPLETA EXTRA we cover 100% of the remaining amount or under COMPLETA PLUS we cover 15% of the invoice amount, up to a maximum of CHF 500 per calendar year. Exclusively under COMPLETA EXTRA we pay 75% of costs up to a maximum of CHF 750 per calendar year for treatment by therapists that are ASCA-registered and recognised by us. Under COMPLETA PLUS we cover 75% of costs, up to a maximum of CHF 500 per calendar year.

Complementary therapy treatments abroad:

For treatments abroad, 75% of the invoiced costs for recognised treatment methods shall be reimbursed under COMPLETA EXTRA up to maximum of CHF 750 per calendar year. We do not cover any costs under COMPLETA PLUS. We do not cover the costs of health retreats (inpatient convalescent care and balneotherapy).
